17/25 VILLAGER BUS SERVICE CONSULTATION.

In response to leaflets describing Trent Barton's consultation proposals to alter the V1/2 Villager bus services, a representative of the Company had explained his Company's proposals which were essentially to discontinue aspects of the V2 service (by withdrawing parts of that service to Egginton and parts of Etwall) and adding parts of the remaining service, through Mickleover and the Hilton housing estates, to the V1 Service to Burton via Hatton and Tutbury. This, it was explained, was due to the relatively low use of this service in those areas to be discontinued, to maximise the use in the potential development areas and in response to the County Council's withdrawal of the subsidy. These followed an animate question time and opposition from the public.

Resolved: That the Parish Council make strenuous objections to the loss of the Service to Egginton and parts of Etwall and canvass support.

17/26 ASH GROVE LANE.

Cllr Lawton re- iterated the continuing problems associated with the problems of passing traffic on this narrow road and the continued damage this was doing to the verges and carriageway edges. She suggested that a couple of vehicle passing places would alleviate these problems.
