i) Concern was expressed by Residents and Cllr. FR about overgrown hedges obstructing Village pavements and overhanging trees (particularly on Fishpond Lane) obstructing farm vehicles. DCC have already been informed.

iii) SN – would it be possible to install adult gym equipment and a shelter on the CJPF as a Platinum Jubilee Project. Cllr. HE to meet up and discuss this proposal.**

There may be money available from the NHS under their long-term plan to tackle obesity, especially in Children.

* Speeding in the Village – Chris Henning (new Highways Officer) is looking into local speeding; his report will be available early in 2022. A policy change means that Parish Councils can buy their own speeding signs but they must also maintain them.

*Cllr. MF pointed out that Derbyshire have honoured ALL bin collections during the Covid situation.

* Work on the Dovecliffe Weir is now completed and the surrounding ground reinstated.

* The proposed gas pipe line, due to be dug out on the North side of the Village, is now abandoned as the Company have ceased to trade and the Willington Gas Station development is not going to happen.
