IN ATTENDANCE: Cllr. David Muller SDDC; Susan Nesbitt (Clerk);
11 Members of the Public.

PART 1: NON-EXEMPT INFORMATION

22/102 **TO RECEIVE APOLOGIES FOR ABSENCE**

Cllr. Lisa Brown (SDCC)

22/103 **VARIATION OF ORDER OF BUSINESS**

There was none.

22/104 **DECLARATIONS OF INTEREST**

There were none.

22/105 **PUBLIC SPEAKING**

i) A Resident who was unable to make the meeting asked the Clerk to read her request that efforts to reinstate a bus service to the Village are re-visited. Cllr. DM – DCC has been awarded £75 million pounds to be spent on bus routes throughout Derbyshire.

Resolved: to bring this up with Cllr. MF (DCC) at our next meeting.

ii) A Resident expressed concern over the excessive speed of vehicles coming into the Village off Carriers Road and suggested we pursue a “NO THROUGH TRAFFIC” sign the same as Burnaston.

The car dealership at the Y pass uses the Village as a test track for their sales

Resolved: Cllr. NL to investigate signage and also contact the car dealership,

iii) A Resident asked if an EggiNet could go out asking for more caution and awareness of pedestrians when backing out of driveways and more courteous parking outside the Village School.

Resolved: Cllr. MN to send out

iv) Cllr. David Muller (SDDC)

*South Derbyshire Planning Office are taking on 15 more Planning Officers to help clear up the back log. One named Officer will be responsible for our area.

*LOCAL PLAN – Consultation on 26th October, Frank Wickham Hall, Etwall. Very aware that many of the sights proposed for development are green field BUT these sites still must go through the planning process.

CLLR. MN to send out an EggiNet reminder.

*Cllr. MN addressed Cllr. DM in Cllr. MF's absence – our petition re the Carriers Road Junction was submitted and acknowledged as received by DCC in June '22. Since then, the Parish Council has been requesting a meeting with Highways to discuss a list of recommended improvements but despite this it has constantly met with excuses for delay from Highways. For the record there has been **ANOTHER** incident when a taxi coming from Etwall failed to stop at the crossroads, the driver claiming that he did not see the junction.

*Cllr. MN addressing Cllr. DM – despite constant correspondence with Cllr. MF on the matter of the resurfacing work in the Village, nothing has been done to rectify the 36 areas where ironwork needs raising. This is an accident waiting to happen especially after dark!! **Cllr. DM promised to pass on our concerns to Cllr. MF.**

Perhaps a representative from Highways could attend a P.C. meeting??

Resolved: any action required is noted in **bold above**

CLLR. DAVID MULLER LEFT THE MEETING

22/106 TO CONFIRM THE NON-EXEMPT MINUTES FROM 08.08.2022

Resolved: the minutes were approved

22/107 MATTERS ARISING NOT ON THE AGENDA

Cllr. HE – expressed concern about the dilapidated state of our Royal Mail post boxes and a redundant Royal Mail holding box on Fishpond Lane. He asked the Clerk to contact the relevant RM department. This has been done and we now have a case number: 1-8585123272 and an email saying they will be in touch when our case has been investigated.

22/108 TO DETERMINE WHICH ITEMS IF ANY ON PART 2 OF THE AGENDA SHOULD BE TAKEN WITH THE PUBLIC EXCLUDED

There were none.

PART 1: NON-EXEMPT ITEMS

22/109 TO RECEIVE THE CHAIRMAN'S REPORT

*EMIP – Last Liaison Meeting – 27.05.22. We have heard nothing since then but there will probably be a Public Consultation at some point. Our Local Impact Report, written in conjunction with Etwall P.C., has been completed and submitted. **Cllr. HE – could an EggiNet be sent out to Residents keeping them up to date?**

*Village Warden – has been suffering from poor health but has now resumed light duties. He has replanted the raised bed by the bridge, litter picked, weed killed Main Street, Church Road, part of Etwall Road and the CJPF path.

*EggiNet – Andy Farrow was able to take this over whilst MN was away on holiday.

*King's Coronation in May – perhaps the celebrations could be organised by a younger working party. Sir Henry has 'retired' after many years of spearheading similar Village celebrations – many thanks Henry.

*Alan Wall has sadly succumbed to his MND – he was a very key member of the Flood/Drainage Project with Severn Trent Water. Our condolences go to his Family.

*Planning Application for erection of stables on the field off Main Street has not yet been determined. This application was made by the horse owner not the land owner, an issue that has been raised by the P.C. and the Planning Department.

*Flood report – see attached email.

*Dog poo is an issue within the Village again – Cllr. MN has put up signs but suggests culprits are challenged if spotted. There are enough bins around the Village. Cllr. FR – this is a prosecutable offence.
Resolved: any action required is noted in **bold above**

22/110 FLOODING (permanent agenda item)

Cllr. MN - (see attached report.) Mark Heysmond is moving to another department – Jo Storer is our new point of contact.

Item already discussed earlier in the meeting. [22/105]

22/112 ROAD RE-SURFACING WORKS

[see 22/105] Residents were given one day's notice only, Highways have failed to answer our correspondence, we have been left with a 'bad job'

with curb stones broken, 'pot hole' ironwork and the tarmac is now shaling. **Cllr. MN to continue to pursue this.**

Resolved: any action required is noted in **bold** above.

22/113 WEBSITE - progress report

The Parish Council section of the website is now up and running.

Various Village organisations etc. are still to send their updated copy for uploading. **SN, Clerk, will send out a reminder in the New Year.**

Resolved: any action required is noted in **bold** above.

22/114 CJPF – lease progress report

C. Worman email dated 05.10.22 states that our application for a further 30year lease will go to Committee in November but he does not foresee any problems. **SN will keep checking on this.**

Resolved: any action required is noted in **bold above**

22/115 BONFIRE UPDATE

The licence, fireworks, food, drink, volunteers etc are now sorted. We have purchase 2 BBQ's and a tea urn rather than keep hiring them – these can be used for any appropriate Village events. This year there will also be a Vegan stand and the bar area will be roped off thus enabling us to sell more tickets. 500 tickets have been sold to date via Egginton Live – an online booking system which sends tickets electronically.

Resolved: no action required

22/116 SAVINGS ACCOUNT - Bank
